A. T. & T. to Issue Stock for $50,000,000..... 31
A. T. & T. Report..... 283
Attend Theater by Telephone..... 268
Automatic Telephones in Australia..... 284
Automatic Telephone Message Recorder..... 318
Automatics in England..... 96
Automobiles for Telephone Exchanges (Editorial).....109-110
Automobiles in Telephone Work.....113-118

B

Babson on Telephone Securities (Editorial).....289-291
Baird Pay Stations for Panama..... 222
Balloon as a Wireless Station, The..... 315
Bell Central Group, The New..... 134
Bell's First Telephone.....338-339
Book About Creosoting, A..... 96
Booklet on Switchboard and Receiver Cords..... 54
Book Reviews 95, 339
Brevities of the Business.....
.....58-60, 100-108, 164-168, 224-28, 285-288, 341-342
Broader Uses of Telephony..... 28
Brown Telephone Relay in Wireless..... 144

C

Cable in Two Days, Fifteen Thousand Feet of.....221-222
Cactus For Telephone Poles..... 172
Cathode Rays in Telephotography..... 260
Central Battery vs. Local Battery.....222-223
Chase Autos in Telephone Work..... 158
Chase Offers a New Truck..... 338
Cheap Service (Editorial)..... 1-2
Chicago's Automatic System, Features of..... 5-12
Chicago Electric Club Hears About Automatic..... 28
Chicago Men Said to Want Gotham Franchise..... 38
Chinese Leader Uses Automatic..... 307
Chinese Telephone and Telegraph Systems..... 163
Clever Improvement, A.....57-58
Commercialism (Editorial).....110-111
Commercial Range of Transmission..... 268
Commission Notes from Washington..... 73
Company Calls Doctors in Battle Creek..... 223
Comparing American and English Service..... 200
Compressed Air Plant in Hamburg Telephone Exchange..29-30
Conductors of No Resistance (Editorial).....111-112
Constantinople System, The..... 28
Construction Notes..... 106
Construction Notes..... 167-168
Conventions 60, 165, 341
Convention of Telephone Pioneers.....306-307
Copenhagen Peak-hood Telephone Auxiliary..... 301
Copper Clad Wire in Municipal Service. By Warren E. Fastnacht 201-203
Cordless P. B. X. Facilitates Elevator Service..... 160
Corporate Public Relations (Editorial).....231-232

D

Demonstration of Submarine Telephone..... 75
Denver Connected with El Paso..... 196
Department of Railway Telephones.....
.....39-52, 87-94, 145-157, 205-220, 271-281, 325-334
Diaphragm to Prevent the Clicking in Receivers.....132-133
Difficult Locations for Anchorage..... 81
Digest of Foreign Telephone Literature.....
.....29-31, 76-78, 131-133, 193-194, 264-268, 316-318
Distribution of Energy in Telephone Circuits.....76-77
Drama Founded on the Telephone..... 260
Dry Cell Testing.....244-245
Dunkards Finally Allow Telephones..... 142
Duplex Business Expanding..... 336

E

Economic Question of German Automatic Telephones.....30-31
Electric Storage Battery Company's Convention..... 336
Electric Waves Guided by Wires (Editorial).....65-66
Employee and the Company, The..... 140
Engineering and Loaded Lines (Editorial).....232-233
Equipment of the Middletown Exchange. By Charles F. Morris.....139-140
Exclusive Contracts Upheld in Missouri..... 73
Exchange Equipment at Tupelo, Miss. By Chas. F. Morris.32-33

F

Farmer Lines in England (Editorial)..... 3-4
Fiber Conduit. 339
Fifteen Thousand Feet of Cable in Two Days.....221-222
Fight on Physical Connection, The (Editorial)..... 292
Financial Items.....104, 167, 287
Fire Alarm and Police Wires..... 224
Foreign Trade Opportunity..... 283
Foresters' Portable Telephone Designed..... 124
Franchises Asked and Granted.....105-106, 167, 227, 287
Frankel Clip Features..... 53
Fungus Growth of Wood Decay.....247-248

G

German Operators Old in Service..... 138
German Precaution, A..... 251
Going Value..... 303
Government to Investigate Chicago Depreciation..... 21
Grounding Wires..... 315
Guarding Against the Fire Hazard.....55-57
Guy Clamp Without Bolts, A..... 222
